

REMARKS

The Applicant hereby elects **Species B** of the second embodiment illustrated in Figure 2. Claims 8 and 10-11 read on the elected species.

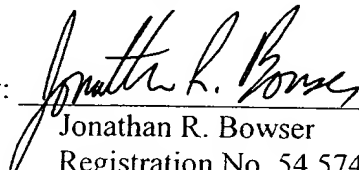

By this Amendment, claim 8 is amended, and claim 9 is cancelled. In particular, claim 8 was amended to include the limitations of claim 9 in order to provide proper antecedent basis for the term "the indication device" in the last sub-paragraph of original claim 8.

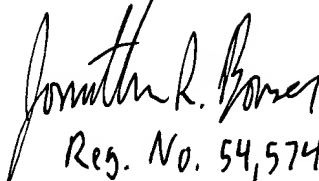

Having made the required election, a full examination on the merits of the elected species is respectfully requested.

Respectfully submitted,

Makoto KIMURA
